NAPA COUNTY– The California Department of Transportation (Caltrans) working closely with the City of Napa will have a new traffic configuration in effect on eastbound Trancas Street approaching southbound State Route 121 (SR-121) in Napa.

Starting the morning of Wednesday, June 21, 2017, the dedicated right turn lane from eastbound Trancas Street to southbound SR-121 in Napa will be closed until further notice.

Southbound SR-121 from Trancas Street will continue to be open to local residents only. The new traffic configuration is necessary for worker and public safety.

The new traffic configuration will be in effect until the completion of the construction of a new Sarco Creek Bridge on SR-121. SR-121 at Sarco Creek Bridge remains closed as crews prepare to demolish and rebuild the bridge.
